

# FUSION 2018

Cambridge,  
United Kingdom  
10-13 July 2018

21st International Conference on Information Fusion

## SPONSORSHIP

The International Conference on Information Fusion is the premier forum for interchange of the latest research in data and information fusion, and its impacts on our society. The conference is held over four days and brings together around 500 researchers and practitioners from academia and industry to report on the latest scientific and technical advances and applications in information fusion.

We are delighted to provide you with sponsorship opportunities at this important event. You will get access to international experts as well as young researchers and those involved in the latest research.

The 21st FUSION conference will be held in Cambridge, United Kingdom, at the Department of Engineering, University of Cambridge, located near the centre of this historic and ancient university town.

## SPONSORING OPPORTUNITIES

We offer various ways to become a part of FUSION 2018. If you decide to help directly with funding the conference, you can benefit from different levels of benefits and conference visibility, depending on your level of contribution. The various options are summarized in the following table. We are also open to discussing your specific requirements, for example funding of particular prizes or conference topics, etc.
